

Oasis Energy
SOLUTIONS LLP
"think different - experience success"

"think different - experience success"

ABOUT US:

Oasis Energy Solutions LLP (OESL) has been founded with the idea to provide single point holistic solution to Industrial & Commercial Clients in the field of Electricity.

Our uniqueness lies in us being able to engage with stakeholders and successfully deliver tailor-made customized solutions.

Our team specializes in Designing, Manufacturing, Installation and Commissioning of LT/HT Panels, Switchgears & execution of electrical installations on Turnkey basis for 11/22/33KV EHV Sub-stations & Transmission Lines.

OESL also offers Comprehensive & Non-comprehensive AMC Services to Clients incorporating preventive maintenance activity of HT/LT panel, switchgears, analysis of breakdowns or faults in system, consultancies and suggestions to solve the problems in the System.

REGISTRATIONS & CERTIFICATIONS:

We are a Govt. Licensed Electrical Contractor and our organization is registered with Electrical Utilities like MSEB/MSEDCL/MSETCL, Tata Power, Adani Electricity, Torrent Power, BEST, Goa Electricity and many other Public and Private Limited Companies.

OUR MANPOWER STRENGTH:

Our organization is led by a team of well qualified, experienced Engineers & Technicians who take pride in their work & conducts all their tasks with complete sincerity and dedication. The whole team is dedicated to assist you in all aspects of Electrical Distribution. Our experts make sure with their efforts to see that all your needs are met with. Our success can be attributed to the 4 principles, which have been our core values & have strengthened the foundation of OESL – i)Dedicated service ii) Team Work iii) Adherence to Project Schedule iv) Open & Transparent Functioning.

SERVICE

Comprehensive Annual Electrical Maintenance & Testing:

- ◆ Electrical maintenance, testing & commissioning of Indoor/Outdoor type HT/LT breakers/ Panels and relays.
- ◆ Maintenance, testing & commissioning of Distribution Transformer.
- ◆ Testing of relays, cables, etc.
- ◆ Testing of Earth Pits.

All Types of HT & LT Panels

- ◆ Design, Supply, Installation, Testing & Commissioning of HT/LT panels, APFC panel, power distribution panel, Feeder pillar, etc.

High Tension Installation & Commissioning:

- ◆ Oil / Dry type Transformer erection
- ◆ Two/Four pole structure erection work.
- ◆ Overhead Lines & Structures - Erection, Modifications, Repairs, Stringing of Line and allied works.
- ◆ Laying of HT cables, Installation of joint kits and end terminations.
- ◆ Earth station installation plate type/ maintenance free.

Low Tension Installation & Commissioning:

- ◆ Laying of LT cables, joints, terminations.
- ◆ Installation of cable trays, Trunking, Raceways.
- ◆ Point wiring in PVC/MS/GI conduits.
- ◆ Installation of street light poles & High Mast lights.

Power Factor Improvement:

- ◆ Design, Supply, Installation, Testing & Commissioning of Auto Power Factor Control (APFC) Panels.

Turnkey Electrical Projects – Inclusive of Regulatory Approvals:

- ◆ New HT Connection Release at 11/22/33KV & EHV Level
- ◆ Contract Demand Enhancement/ Decrease for existing Facilities
- ◆ Commissioning of Substations from MSEDCL / MSETCL.
- ◆ Approval of Plan & charging Permissions from Electrical Inspector / CEIG for all type of Electrical installation / Renewable projects.
- ◆ Express Feeder sanctioning from competent authority .
- ◆ Solar Park / Wind farm Grid connectivity& SEM metering approval.

Specialized Projects/ Solutions for Industry and Solar Generators

◆ Net Metering

All Regulatory Approvals & Infra commissioning to convert existing/new Solar Projects into Net Metering with MSEDCL, Torrent, Adani, TATA, BEST & Goa Electricity Dept.

◆ SEM Metering for Open Access Solutions

Specialized Energy Meters (SEM/ABT Meters) Approvals and Commissioning at both Consumer & Generator side for Power Flow under Open Access.

◆ MEDA Approvals

- > Solar & wind projects registration
- > REC Accreditation & registration.

◆ Consulting

- > Regulatory matter and energy consulting
- > Legal matters related to electricity
- > Project consulting
